

*Barney Farrell*

*Barney joined Willis Towers Watson in 1995 out of college as a benefit analyst. He is now a Senior Director within the Retirement LOB of the Human Capital and Benefits segment. Barney is a seasoned people manager and software product manager and is a member of the leadership team that delivers new actuarial, financial, benchmarking and management software for the LOB.*

*Barney also supports Willis Towers Watson's North America Inclusion and Diversity groups. He is a founding member of the Philadelphia office OUT@WTW employee resource group and is a supporting member of the Philadelphia office Multicultural employee resource group. He is a contributor to the Company's North America OUT@WTW leadership team and is the North America liaison for transgender/transitioning employees.*

*In addition, Barney provides Unconscious Bias and LGBTQ Ally training. In 2018, he revised the Transitioning Guide for North America Human Resources. He is a co-chair of a new employee resource group for Emotional Wellbeing. His passion for colleague development, LGBTQ allyship and employer transgender guidance blossomed over the last several years as his daughter was transitioning.*
