

Jack Gottlieb Biography

Jack Gottlieb is a results-driven senior executive with 20 years of experience in transforming and revitalizing organizations. As the CEO of Total Solutions Group, a strategic consulting and results-based training firm, he has a proven track record of aligning culture, strategy, and capability to achieve critical short-term and long-term goals. TSG has generated \$3.25 billion in ROI for clients in growth, profitability, innovation, and efficiency, including leading fifteen M&As and ten turnarounds from inception to implementation.

With extensive experience in the C-Suite and as an HR leader Jack has a deep expertise of how to drive organizational health and performance through an embedded employee experience. He has had global roles such as Chief Executive Officer, Chief Strategy Officer, and Head of Global Capability & Transformation in the banking, gaming, and higher education industries. As an HR executive Jack and his teams have had the responsibility of culture/strategic alignment, workforce planning, performance optimization, talent acquisition/development, succession planning, change management, and M&A integration.

Jack's SHRM speaking and thought leadership experience includes more than 65 presented sessions across six national SHRM conferences, and seven state chapter conferences. He has led high impact and engaging sessions including seven keynotes, three master sessions, nine MEGA sessions, more than 30 breakouts, and six #1 rated pre-conference sessions. Jack has presented at numerous annual state conferences in New Jersey, New York, Delaware, Ohio, Florida, and Texas since 2005. His contributions have been widely recognized by the industry and his peers. In addition to his professional achievements, Jack hosts the successful podcast "The L&D Transformation Podcast: Leading the Future of Organizations through Talent Development" now in its third season and he was also recently added to the SHRM Speaker Bureau. He is also actively involved in higher education, leading initiatives at Kutztown University for entrepreneurial development and economic growth and at Rider University for leadership development.
