Paul specializes in managing clients in the middle & large market segments ranging from 50-5,000+ employees.

Paul utilizes his consultative approach, analytical skillset, attention to detail, strong carrier relationships, vast industry knowledge, and passion to deliver best-in-class solutions to his clients. He works with clients to develop a multi-year strategic plan to align the employee benefits package with the organizational goals and objectives.

Paul began his consulting career with PwC where he developed a strong work ethic and ability to help his clients consistently realize improved financial & operational outcomes. For the last 15 years, Paul has consulted with HR, Finance, & Executive Leadership teams; Paul joined Gallagher in 2024.

Paul is a graduate of LaSalle University where he received his BS of Business Administration with a dual focus in Accounting & Finance. He is a licensed Life and Health & Accident producer in all 50 states.
